

When Bargaining Fails... Will SEIU-UHW Lead You on Strike?

(LA Times)

(Los Angeles Daily News)

**SEIU-UHW has taken more than 43,000
healthcare workers on strike in the past 10 years.**

SHARP

Striking employees:

Don't get paid by the employer during the strike

Generally are not permitted to take PTO during the strike

May have to pay the full amount of their health insurance (plus an administrative fee) to retain health insurance coverage during the strike

May not be eligible for unemployment benefits or social programs like food stamps

May be taken on strike for a few days or indefinitely

May be disciplined by SEIU-UHW if they cross the picket line

May be permanently replaced by the hospital
